

Monoclonal Antibody to BTEB2

Abbreviation: MCA BTE-01

Code No. : 7620

Price: 200ul.....¥40,000

Clone : 10B3

Quality: BALB/c IgG1κ

Solution: Ascites (200 μl)

Character: Working dilution is about 1:4000

Storage & Handling: The solution should be stored below -20°C. Repeated freezing and thawing should be avoided.

Note: Research use only.
